

PRODUCT INFORMATION

KWD DAMP AWAY

Moisture Absorbent

- Non Toxic -
- Easy to use -
- Granule -
- Absorbs excess moisture-

KWD DAMP AWAY is the easy and convenient way to attract and trap excess moisture in the air and improve air quality. Damp away granules are used in areas of high humidity to prevent condensation, mold, mildew and stagnant air from forming. Damp Away is an all natural and non toxic product and can be used in a wide variety of areas such as closets, bathrooms, caravans and any enclosed areas where excess moisture is a problem.

DIRECTIONS FOR USE:

Remove seal and place in problem area. When granules are completely dissolved in liquid discard and refill dispenser with fresh granules. Store in a cool place with seal or air tight packaging intact until product is needed.

FIRST AID:

If swallowed do not induce vomiting. Give a glass of water and seek medical advice. If in contact with eyes flush with running water.

SAFETY DIRECTIONS:

Keep out of reach of children. Avoid contact with eyes. Refer to SDS for more information.
